

Dormer Construction
has carried out various
agriculture works over
the past 15 years.

Digger root raking scrub

Mulching can be completed with little
effect to the surrounding environment.
Here we mulched right up to the
stream edge without destruction.

Dormer Construction
specialise in:

- Farm tracks
- Drains
- Root raking
- Mulching
- Earthworks
- Post driving
- Explosive blasting
- Septic tanks and pipe work
